O/O. DGM Monitoring, DHBVN, Hisar

Instruction No.47/MON/2010

To

All GMs (OP),
Under DHBVN.

Memo No. **Ch- 85/Mon- 260/Vol-1**

Dated: **09.08.2010**

Subject: Maintenance of 11 KV feeders-----Proper earthing thereof.

To ensure the quality supply to the consumers it stand decided by the Nigam that all field offices shall ensure the proper maintenance of power transformers and 11 KV feeders in their area. As per direction issued by Director/OP, DHBVN, Hisar vide his memo Ch-38/DOP-1/15 dated 3.5.2010, it was desired that a special campaign be launched for maintenance of 11KV feeders. Some of the important activities to be carried out during maintenance of 11 KV feeders were also listed. But it has been observed that proper maintenance of 11 KV feeders as per activities listed is not being carried out by the field offices, due to which the fault travels towards power transformers which results to damage of power transformers/ other equipments. It has been viewed seriously by the Management and it has been desired that all GMs (OP) shall ensure that the maintenance of all 11KV feeders under their jurisdiction must be carried out on top priority.

In order to ensure quality/un-interruption supply to the consumers and avoid damage of power T/Fs it has been desired by MD, DHBVN that at least following activities shall be carried by all AGM/Op on all the feeder falling under their jurisdiction within 15 days.

- 1. The status of earthing of 1st H-Pole of all the feeders under their jurisdiction by taking the values physically along with SSE in case of HVPN sub stations be checked. It shall be ensured that the values found are strictly as per norms fixed by the Nigam/REC. In case the earthing of first H-pole yet not stand provided, the same shall be provided now as per instruction of the Nigam.**
- 2. The status of providing and functioning of LA's on all feeders be checked if not found provided, functioning properly the same shall be provided now. It shall be ensure that LA's are provided on all the feeders and functioning properly.**
- 3. The tightening and proper sagging of loose conductor of all the 11 KV feeders shall be made. It shall be ensured that the conductor on any feeder is not left loose.**

All AGM/OP shall issue a certificate that the above said all the activities have been carried out on all the feeders under their jurisdiction as per instruction of Nigam and are functioning properly to their DGM/OP **with in 15 days**. Further All DGMS shall issue the

consolidated certificate for their division **with in 20 days** to this office. The CGM/GM (OP) shall monitor the campaign at their level to ensure that above said activities are completed in time and certificate in this regard are issued by all the offices under their jurisdiction.

It shall be ensured that above instructions are complied with meticulously with immediate effect.

This issues with the approval of MD, DHBVN
