Instruction No. 34 /MON/2007

From

D.G.M./Monitoring,
DHBVN, Hisar

To

All CGMs (OP)/GMs(OP)DGMs/AGMs (OP)/
in DHBVN.

Memo No:-Ch-102/MON-260

Dated:-06.07.2007

Subject: Declaration of CFL village – circles allotted days of the week

Due to continuous growth of load due to release of new connections and providing the additional electricity appliances by the existing consumers, there remains short of energy and it becomes vary difficult for any power utility to fulfill the requirement of the consumers upto their full requirement. However all power utilities are adding the generation capacity in the system. So as to over come the problem of shortage of supply due to continuous growth of load it has become essential to motivate the consumers to use the CFL lamps instead of ordinary bulb/tubes. With this not only their bill will be reduced but the electrical energy will be saved (under energy conservation) which will be available to the consumers for use. Accordingly the Nigam has decided to promote the CFL use in urban and rural areas. The energy conversation activities are also being conducted by GM (OP) on 14th of each month to motivate the consumers.

The various incentive schemes have been implemented by the Nigam for CFL promotion in rural areas and efforts are however being made by the respective GMs (OP) to shift the villages to CFL lamp only instead of ordinary bulb/tubes. The work of CFL promotion is in good progress. So it has been decided by the Nigam to fix a day for each circle in a week to declare its villages as CFL village which will give an impression of “sweeping change” among the public.

| Sr. No. | Name of Circle | Day |
|----------------|-----------------------|------------|
| 1 | Sirsa | Monday |
| 2 | Faridabad | Tuesday |
| 3 | Hisar | Wednesday |
| 4 | Gurgaon | Thursday |
| 5 | Bhiwani | Friday |
| 6 | Narnaul | Saturday |

The CFL completed in urban sectors or colonies as CFL sector/colony if any shall be declared by all GMs (OP) on Sunday.

All GMs (OP) under DHBVN on the particular day fixed for their circle will declare the name of villages who has adopted the use of CFL completely instead of ordinary bulb/tubes as CFL village. The complete detail for which shall be sent to Chief Communication Officer for detail with copy to this office.

This issues with the approval of MD, DHBVN, Hisar.
