UTTAR DAKSHIN HARYANA BIJLI VITRAN NIGAM

22.	Arithmetical Errors: - in case of any inconsistency in the prices furnished, the purchaser shall be entitled to consider the lowest prices for the purpose of evaluation and award of contract. All arithmetical errors will be rectified on the basis of the unit price or total price (in figures and in words) whichever is more beneficial to the purchaser.
23.	In the event of a firm not favoring the delivery commitments of the previous contracts, this fact will weigh against the firm tendering against a subsequent enquiry and be treated as disability. Before issue of the letter of intent or of placing the order, the previous order should be fully discharged or a reliable undertaking should be given that it would be done within a reasonable period and within scope of the previous contract, if the firm declines to give this undertaking, it would be considered ineligible for competing against any subsequent tender/order and the current order would automatically pass on to the next lower firm.
24.	The tender shall be issued by UHBVN/DHBVN for fixing the rate contract on behalf of both the power utilities i.e. DHBVN & UHBVN. However, all the purchase orders will be issued by CE/MM of respective utilities in a phased manner depending on the requirement of stores. The PQRs and other liabilities of the bidder shall be as per minimum quantity offered.
25.	Material offered should be strictly according to the technical specification attached with the tender documents as laid down in Annexure-A of Schedule D (Part-I) to the Terms and conditions of the contract. Unless a deviation in the specifications given in Annexure 'A' is pointed out by the tenderer specifically, it will be presumed that Offer/tender conforms to the specifications as laid down in Annexure 'A'. However, in case of any ambiguity in the Nigam's technical Specification, the provision of relevant IS with latest amendment will prevail. The concerned Director /Projects, shall be the deciding authority in such cases.
26.	EMD is liable to be forfeited in case of evidence of cartel formation by the bidder(s). The provision for penal action in case of cartel formation by the bidders shall be as per clause No. 9 of policy (guidelines) issued by the State Govt. vide G.O No. 2/2/2010-41 BII dated 28.5.2010.
27.	The purchaser reserves the right to reject any or all the tenders received without assigning any reason.
28.	The firm failing to accept the LOI/RC after having made commitments before SPC/HPPC (Nigam)/HPPC (Govt.) shall be blacklisted/ debarred from doing business with Nigam and earnest money of the firm shall be forfeited.
29.	The bidder shall submit alongwith his tender documents, the details of his production capacity, orders in hand/pending with quantity, value and delivery schedule of the material /equipments in question. The document shall be uploaded by the supplier.

31.	List of customers to whom the material in question has been supplied/orders executed financial year wise and their performance certificates shall be enclosed by the Tenderer. The document shall be uploaded by the supplier.
32.	No change in GTPs/technical parameters/drawings submitted alongwith bid shall be allowed in case the offered material is as per technical specification of Nigam.

33.	The tenderer must submit a hard copy of all the documents related to part-I (i.e. techno-commercial terms and conditions, where the tender is invited in two parts) uploaded on the site for the said tender duly certifying that these documents are same as uploaded on designated website, within 4 days of opening of part-I. (All affidavit & undertakings should be submitted in original with hard copy).
34.	Submission of Quality Assurance Procedure The Vendor / Contractor at the time of submission of the drawings for approval from DHBVN/UHBVN is also required to submit a Quality Assurance Procedure (QAP) of the materials to be supplied for review and approval. In this QAP, the vendor / contractor shall clearly indicate the quality measures being taken by the manufacturer to maintain the quality of the finished product. The drawings/QAP once approved shall not be required to be submitted for approval again. QAP will indicate the following details:- i) Tests being performed on the raw material purchased by manufacturer for manufacturing of the finished product. ii) Tests being conducted during manufacturing of the product (In process testing). iii) Tests which shall be done on the finished product at the time of pre-dispatch inspection. iv) Test results assured by the vendor. v) Tests procedure followed for the inspection with full details of test setup etc. The Inspection shall be carried out on the basis of the approved QAP. All the details provided by the vendor / contractor shall be verified by Nigam / Third Party during the inspection and if any deviation is found from the approved documents, it will be noted in the inspection report.
35.	The firms will enter into an agreement with the Nigam to ensure that there is no fall in the prices of the item under rate contract and in case of any such price fall, the rates of the material will be revised as per any decrease in price.
36.	The max. Quoted qty. shall be considered as 1.5 times of the min. qty. quoted by the bidder/s against the NIT.
37.	MODVAT benefits, if any, be included in quoted prices and confirmed in bid submission.
38.	All other terms and conditions will be as per latest guidelines of Govt. of Haryana and schedule D (general and particular terms & conditions of contract) and technical specification of Nigam. However, any statutory variation shall be borne by the Nigam, during contractual delivery schedule only i.e. increase in GST, as applicable will be paid over the price fixed as per Work/Purchase Order, where the goods are delivered during the contractual delivery schedule and the vender is bound to extend the benefit of reduced rate of GST to Nigam, beyond the overall delivery shall be borne by the firm. %of cost of the rejected lot of material shall be imposed. The rejected material shall be lifted back by firm only after replacement with fresh material or by submission of additional BG of equivalent to the cost of material. This BG shall be released when the replacement of material with fresh material received in the Nigam Stores and material is accepted by the Nigam.

15. GST

The purchaser shall pay GST at the prescribed rates (if applicable) on the production of the following Certificates by the supplier in triplicate:-

- i. Certified that the transaction in which the GST has been claimed has been/ will be included in the return submitted/ to be submitted to the Taxation authorities for the assessment of GST and amount claimed from the Haryana DISCOMs has been/ shall be paid to the GST authorities.
- ii. Certified that the goods on which the GST has been charged in Bill No. _____ dated ____ for Rs. _____ have not been exempted under the CGST Act, 2017/ IGST Act, 2017, SGST Act, 2017 & UTGST Act, 2017 or the rules made thereunder and the charges on account of GST on these goods are correct under the provision of the relevant Act or the Rules made thereunder.
- iii. Certified that we shall always indemnify the Haryana DISCOMs in case it is found at a later stage, that wrong or incorrect payment had been recovered on account of GST paid/ to be paid by us.
- iv. Certified that we are registered as a dealer under GST and our registration No. is _____.
- v. The vendor is bound to indemnify the Nigam for any loss occurred on account of non payment of GST/ non submission of proper returns with interest @ 24% for the period of default.

16. DOCUMENTATION:

- i) All bills and/or invoices whether in respect of an advance payment or full payment, shall contain complete details of Code No., name of the item, description of material supplied, quantity supplied, rates, details of extra claims, etc. as well as the name of the consignee who received the material, shall be submitted in triplicate, duly accompanied by the receipted good challan, inspection note/test certificate in original, prescribed sales tax/ excise duty certificates and excise duty gate pass, where required.
- ii) All freight charges whether paid or to pay, and whether chargeable to the Nigam or included in the quoted price, shall be shown in the invoice separately.
- iii) All bills and/ or invoices shall be sent by the supplier to:

for payment

17. TERMS OF PAYMENT : This clause shall be applicable as specified in Particular Conditions of Schedule-D (Part-II)

18. NEGLIGENCE:

If the supplier shall neglect to execute the supply contract with due diligence and

expedition or shall refuse or neglect to comply with any reasonable orders given in writing by the purchaser or his authorized agent in connection with this contract or shall contravene this provision of the contract, the purchaser may give 15 days notice in writing to the supplier to make good the failure, neglect or contravention complained of and should the Supplier fail to comply with the notice within the above said time from the date of service thereof (in case of failure, neglect or contravention capable of being made good, within that time or otherwise within such time as may be reasonably necessary for making it good), then in such case, the purchaser shall be at liberty to take the work wholly or in part out of Supplier's hand and re-contract at a reasonable price with any other person (s). in such event, it shall be lawful for the purchaser to retain any balance which may otherwise be due by him to the Supplier on any account, and apply the same towards the execution of the whole of balance of the supply contract so re-contracted, as aforesaid, if no such balance is due by him to the supplier or if due, is not sufficient to cover the amount thus recoverable from the supplier, it shall be lawful for the purchase to recover the whole or the balance of the amount from the supplier by action at law or otherwise. The remedy under this clause will be in addition to and without prejudice to right available to the purchaser under other clause of these terms and conditions.

19. DESPATCH OF MATERIAL AND DESPATCH INSTRUCTIONS:

The supplier shall be responsible to obtain complete Dispatch instructions from the purchaser before the dispatch of each consignment.

The supplier shall sufficiently pack at his own cost the material for transit so as to ensure this being free from loss or damage on arrival without opening the packages while in transit at their destination. All containers in which the material is supplied shall be non returnable.

20. REPLACEMENT AND REJECTION:

Material found sub-standard or defective or not conforming to the prescribed specification in any manner, at consignee's end shall not be accepted and intimation to this effect shall be given to the supplier, the purchasing authority and the Controller of Stores by the consignee. The purchasing authority shall promptly take up the matter with the supplier and ask him to rectify or replace the defective/sub-standard material forthwith and in any case within a period of 45 days from the date of intimation about such defective material by the stores wing, failing which, the Nigam shall reserve the right to get the defect rectified at the supplier's cost or to withhold the amount equal to cost of defective material. The supplier shall also be intimated that all expenses involved in the replacement by way of handling, transportation, storage, etc. shall be to their account. The payments so withheld shall be released after the receipt of repaired/replacement material. In case, the supplier still does not respond for lifting the defective material, despite continuous follow-up, the procedure as prescribed in as per clause no. 21 read with sub-clause 28.1 (a & b) shall be invoked for termination of contract, encashment of BG, imposing LD charges @ 5% of the value of defective/ rejected/ undelivered material and initiation of action for blacklisting etc. Even after expiry of 90 days, if there is no response from the firm, Nigam can deduct the cost of the defective equipments/material from the pending liabilities of the firm, including encashment of the BG of the firm, available with Nigam against the same P.O. or in other cases.

If there is sufficient financial cover against the same or other P.O.s available then the principal supplier can lift the material against the financial cover of same P.O.s. If the

financial cover falls short of cost of material to be lifted for repair/replacement than either he would have to deposit the BG of the balance cost of the equipments through DD or cost thereof in cash.

In respect of the defective/sub-standard supplies, the date on which such a supply is replaced shall be reckoned as the effective date of delivery there against and the delay shall be worked out accordingly with reference to the date on which the supply was due as per the terms of contract, for the purpose of determining penalties/liquidated damages recoverable under Clause 9 (v)

21. TERMINATION OF CONTRACT FOR DEFAULT

21.1 The purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, terminate the contract in whole or in part:

- a) If the supplier fails to deliver any or all of the stores within the time period(s) specified in the contract, or any extension thereof granted by the Purchaser; or
- b) If the supplier fails to perform any other obligation under the contract within the period specified in the contract or any extension thereof granted by the purchaser.
- c) If the supplier, in the judgment of the purchaser has engaged in corrupt or fraudulent practices in competing for or in executing the contract (The definition of corrupt or fraudulent practices defined under clause-25).

21.2 In the event the purchaser terminate the contract in whole or in part. Available EMD submitted by the firm/supplier shall be forfeited and available BG shall be got encashed towards recovery of LD Charges and any other dues from the firm.

22. SET-OFF:

Any sum of money due and payable to the supplier under the contract (including Security deposit returnable to the supplier) may be appropriated by the purchaser and set-off against any claim of the purchaser for the payment of a sum of money arising out of or under this contract or any other contract entered into by the supplier with the purchaser.

23. SUPPLIER'S DEFAULT LIABILITY :

In the event of breach of any these terms and conditions by the supplier, the purchaser can terminate the contract without Notice to the supplier at any stage and the supplier shall have no claim whatsoever on the purchaser on this account. But the supplier shall be liable to pay to the purchaser a sum equivalent to 5% of the value of the undelivered material as liquidated damages and not as a penalty.

24. LAWS GOVERNING THE CONTRACT

- (i) This contract shall be governed by the Laws of India for the time being in force.
- (ii) Irrespective of the place of delivery place of performance or place of payment under the contract, the contract shall be deemed to have been made at the place from which the acceptance of tender has been issued.

- (iii) Jurisdiction of courts: The courts of the place from where the acceptance of tender has been issued shall alone have exclusive jurisdiction to decide any dispute arising out of or in respect of the contract.

25. Corrupt or Fraudulent Practices

The Nigam requires that Tenderers/ Suppliers/ Contractors observe the highest standard of ethics during the procurement and execution of Nigam contracts. In pursuance of this policy, the Nigam:-

- (a) Defines, for the purposes of this provision, the terms set forth as follows:
- (i) “corrupt practice” means the offering, giving, receiving or soliciting of any thing of value to influence the action of a public official in the procurement process or in contract execution: and
- (ii) “fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Nigam, and includes collusive practice among Tenderers (prior to or after tender submission) designed to establish tender prices at artificial, non-competitive levels and to deprive the Nigam of the benefits of free and open competition;
- (b) will reject a proposal for award if it determines that the Tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;
- (c) will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a Nigam contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a Nigam contract.

26. PATENT RIGHTS

The supplier shall indemnify the Purchaser against all third-party claims of infringement of patent, trademark or industrial design rights arising from use of the Goods or any part thereof in India.

In the event of any claim asserted by a third party of infringement of copyright, patent, trademark or industrial design rights arising from the use of the Goods or any part thereof in the Purchaser’s country, the supplier shall act expeditiously to extinguish such claim. If the supplier fails to comply and the Purchaser is required to pay compensation to a third party resulting from such infringement, the supplier shall be responsible for the compensation including all expenses, court costs and lawyer fees. The Purchaser will give notice to the supplier of such claim, if it is made, without delay.

27. SETTLEMENT OF DISPUTES

If any dispute or difference of any kind whatsoever arises between the Purchaser and the Supplier in connection with or arising out of the Contract, the parties will make every effort to

resolve amicably such dispute or difference by mutual consultation.

If, after thirty (30) days the parties failed to resolve their dispute or difference by such mutual consultation, then either the Purchaser or the Supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of the matter may be commenced unless such notice is given.

28. Blacklisting of the Firms:

As the purchase order becomes a valid contract between the purchaser and supplier on the date of its issue, no further changes in the terms and conditions thereof are permissible and any request received in this regard from the supplier should be summarily rejected, making it clear to supply the goods strictly in accordance with the terms and conditions of the contract. It should be noted that such a liability can be enforced on the supplier only if the purchase order does not contain any term or condition contrary to what had been quoted in the supplier's tender. Once this is ensured, any attempt by the supplier to back out of his commitment should be taken seriously and his earnest money deposited be forfeited forthwith, without prejudice to any further legal remedies open to the Nigam under the relevant laws. Where necessary, the case of supplier illegally backing out of the commitment, should also be put up to the Board of Directors for consideration and to decide for black-listing of the firm and damages, if any, to be recovered

28.1. Procedure for Blacklisting of firm

In case the supplier intends to illegally back out of the commitment, the steps for blacklisting of the firm, besides enforcement of damages recoverable under the law will be taken as per procedure given below:-

- a) *A notice shall be served by the purchasing department on the supplier by registered post/speed post bringing his defaults to his notice and asking him to complete all pending supplies / or to settle dispute within a period of 15 days from the date of issue of Notice.*
- b) *In case the firm fails to comply with the notice(s), a show Cause notice of 21 days shall be issued why the firm/supplier/contractor should not be blacklisted. In the Show Cause Notice complete details of the case, default committed by the firm/supplier/contractor and details of notices issued by the Nigam shall be incorporated.*
- c) *In case the supplier/firm/contractor fails to comply with the notice issued for blacklisting or does not respond to show cause notice or the reply as submitted is not found justified/convincing. The contract with the firm/supplier shall be terminated inter-alia taking other action as per regulation no. 20 & further the firm may be blacklisted with the approval of BODs.*
- d) *The period of blacklisting of the defaulting firm/ supplier/contractor will be approved upto 3 years by BOD's and shall be notified to all Power Utilities in the country and the names of such blacklisted supplier/contractor would also be put on the website of the Nigam*

29. ARBITRATION

All the matters, questions, disputes, differences and / or claims arising out of and /or concerning and /or in connection and /or relating to this contract whether or not obligations of

SCHEDULE 'D'
(Part-II, Particular Conditions of Contract)

UTTAR/ DAKSHIN HARYANABIJLI VITRAN NIGAM LIMITED

PARTICULAR TERMS AND CONDITIONS FOR PROCUREMENT OF EQUIPMENT STORES AND OTHER MATERIAL UNDER THE RATE CONTRACT

The below mentioned terms & conditions shall be applicable in addition to the terms & conditions mentioned in Part-I of Schedule D

1) PRICE :-

The prices quoted shall be 'FIRM' and 'FOR' destination basis anywhere in Haryana. The breakup of prices quoted viz. Ex-works prices, GST, freight and insurance etc. should be clearly given in schedule of prices as per details in the enclosed Performa, which is a must.

2) SAMPLE

Not required

3) Delivery:

i) Acceptance Early Supplies

- a) In case the material is required early by the Nigam and the purchasing authority requests for the same, then the payment would be regulated as per PO provisions i.e. actual delivery (physical) date shall be considered as due date of delivery.
- b) in case any firm supplied the material earlier than the actual due date of supply, then the payment procedure/terms shall remain the same as per terms and conditions and lots due date mentioned in the relevant PO/work order.

ii) Acceptance of delay supply :-

In case of lot wise delayed supply or else, the same may be considered and accepted by the purchaser with levy of penalty as per provision of PO.

4) Warranty:-

The supplier shall be made responsible to replace free of cost, with no transportation or insurance-cost to the Nigam, up to the destination, the whole or any part of the material which in normal and proper use proves defective in quality or workmanship, subject to the condition that the defect is noticed within 18 months from the date the material is received by the consignee or 12 months from the date of installation of the goods which ever period may expire earlier. The consignee or any other officer of the Nigam actually using the material will give prompt notice of each such defect to the supplier as well as the Purchasing authority and the Controller of Stores. The replacement shall be effected by the supplier within a reasonable time, but not, in any case, exceeding 45 days.

In case the replacement of defective material is not carried out within 45 days of our intimation of defects, the supplier shall have to pay interest @12% per annum of the value of each material beginning from the date of its receipt in store or date of intimation given by SDO (OP)/ SDO (Store) whichever is later upto the date of its receipt after replacement/repair. The supplier shall also arrange to remove the defective supply within a reasonable period but not exceeding 45

days from the date of issue of the notice in respect thereof, but only after replacement of defective material. Upon the firm failing to do so, the damages/defects may be got rectified by the Nigam and the cost adjusted from the firm's pending dues and/or security deposit against this or any other contract in force and the balance left be got deposited by the supplier. The Nigam may also withhold the amount equal to cost of defective material.

The warranty for 18/12 months shall be one time.

In addition to above, warranty should be extended by the supplier for the period for which the service was not rendered by the material/equipment supplied by the supplier which would be allowable for one occasion only. In case of recurrence, the material/ equipment shall have to be replaced afresh or cost of the material shall be recoverable from the pending liabilities of the supplier/contractor towards Nigam.

After completion of overall warranty period, if it is found that any material defective/ damaged within warranty period is still lying in the store/field/with the firm then equivalent amount of cost of material as BG shall be accepted. After receipt of fresh BG, the old BG should be released.

In case of breach of contractual obligations with reference to non responding for repairing /replacement of defective material, notices of 15 days & 21 days shall be issued to the firm and in case of still persistence of default, the Nigam shall reserve the right to terminate the contract, encashment of BG towards recovery of damages and further initiation of action for blacklisting.

- 5) **DRAWINGS:- As per Annexure AI of Technical Specification.**
- 6) **MISTAKES IN DRAWINGS: Not Required**
- 7) **POST RECEIPT INSPECTION AND SAMPLE TESTING AFTER RECEIPT OF MATERIAL IN NIGAM STORES:-**

Nigam intends to purchase only High Quality material. For this purpose stringent testing of the material shall be done as per Nigam's Quality Assurance Plan (QAP) (Annexure-XIV).

- a) A team of 2 XENs to be nominated by Chief Engineer/MM will carry out random checking to ensure quality and quantity of material received in Nigam's stores.
- b) The team will draw sample from each lot received in anyone of the stores to carry out checking as under:-
 - Genuineness of seals provided during inspection
 - Workmanship of material received in store
 - Quantity of material inspected viz-a-viz received quantity.
 - Quality of material received in the store.
- c) The above said inspection / checking would be carried out to check all physical parameters as per approved technical specifications of the Nigam / Engineering Design / Drawings.
- d) The above said team may draw samples randomly for any material for its testing from any NABL accredited testing lab as approved by the Nigam.
- e) **A committee of two XENs to be constituted by Director/ Projects at random may also draw sample from any lot for checking as per (b) to (d) above.**
- f) **Sample (s) Selection:-**

Samples from each lot of material received against P.O. shall be sent to NABL accredited lab (Govt. /Semi Govt. / Private Lab) to carry out the acceptance tests, at Nigam's cost. Further, one sample from each of the consignee stores of DI may be selected & sealed

for testing from NABL lab. However, atleast, two samples from each DI shall be sent to NABL lab for testing. If any of the sample fails the entire lot shall be rejected and cost of testing shall be charged from the firm. However, testing of 2nd sample of the same lot may be considered on justified request of the firm & with the approval of Director/Projects, to be decided on merits of each case. In case, 2nd sample is rejected, the entire lot shall be rejected.

In case of failure of sample from the lot then:-

- Supplier shall have to replace the full quantity of the respective inspected lot supplied to various stores and lying unused at stores as per provision contained under clause no.14(x) of Schedule-D (Part-I) **within 45 days of intimation.**
- For the quantity already utilized against the aforementioned lot in field then a deduction @ **50% (Fifty Percent)** of FOR destination prices of the material utilized shall be made.

8) TYPETESTCONDITIONS:

In all other cases, the firm/s shall be required to submit the type test certificates as per Nigam's Technical Specifications and relevant ISS alongwith the tender documents, which should not be more than five years old on the date of opening of tender. Alternatively, the firm/s shall submit an undertaking that the requisite type test certificates shall be submitted within 45 days from the date of issuance of LOI/RC. The purchaser departments shall approve the drawing and type tests within 10 days from the date of receipt all the requisite type test certificates.

In case any difference between ISS & Nigam technical specifications, the type test certificates (incorporating the remaining tests, if applicable) issued by NABL accredited testing houses/Govt. approved lab besides international testing house/labs like KEMA, KERI etc. will be supplied by the bidder within 45 days from the date of issue of LOI/Rate Contract.

In case of delay in submission of detailed type test certificates beyond 45 days from the date of issue of LOI/RC, penalty @ 0.05% per day subject to maximum 2% of the contract value shall be imposed.

Note: Delay in submission of type test by firm shall not form the basis for relaxation/extension in delivery schedule in any case.

9) TERMS OF PAYMENT:-

Subject to any deductions which the purchaser may be authorized to make under this contract, the payment for the material shall be made as under:-

- (a) **One hundred percent payment shall be made on 30th day from the date of receipt of material by the consignee or date of submission of documents i.e. bills/invoices in triplicate, receipted challans inspection report, prescribed GST certificates, wherever required etc., whichever is later.**
- (b) **The Bank Guarantee of the value of 5% of the order value or estimated value of Rate Contract (where maximum value of rate contract (RC) is indicated, it will be on the basis of the same) [2% in case of Haryana based other firms/enterprises and 0.2% in case of micro and small enterprises (including khadi and village industries units) subject to fulfillment of conditions as per eligibility as notified by the Department of Industries & Commerce, Govt. of Haryana in its order no. 2/2/2016-4IBII (II) dated 20.10.2016.]. The BG shall be furnished for complete requisite period within 15 days**

उत्तर दक्षिण हरियाणा बिजली वितरण निगम
UTTAR DAKSHIN HARYANA BIJI VITRAN NIGAM

from the date of issue of RC which should remain valid for 90 days after the expiry of warranty period (the BG shall be issued by any Nationalized /Private Bank in India, failing which:

- i) Penalty @ 0.05% per day of the value of BG with a ceiling of 2% of value of BG would be charged from due date of submission, till the BG or DD in lieu of BG is submitted by the firm.
- ii) In case the performance bank guarantee or DD in lieu of performance security is not submitted within 45 days from the date of issue of RC or the date if any stipulated by the purchasing authority, the Nigam reserve the right to cancel the RC and initiate the action for allotment to L-2 firm.
- iii) In the event of receipt of material without the receipt of BG, amount equivalent to BG alongwith penalty shall be deducted from the payments due to the supplier. However, on receipt of requisite BG from the firm, the amount deducted in lieu of the BG only, shall be refunded without accrual of any interest thereon and amount of penalty so deducted shall not be refunded.

Further a rebate of 0.05 percent per day shall be availed of by the Nigam if payment is made earlier than the period specified. The rebate will be calculated on the payable amount.

The delay in payment to the suppliers beyond the stipulated credit period indicated in the supply order, unless supported by cogent reasons and approved by a higher authority, would attract penal interest on the defaulting amount @ Rs. 25/- per one lac per day of delay beyond the credit stipulated period. Payment of such interests would be brought to the notice of Administrative Secretary of the department and call for fixation of responsibility. In case of delayed supply duly accepted by the purchasing authority, no penal interest on the same shall be applicable.

In case the due date of payment in terms of payment schedule falls on a holiday including Sunday or holiday is subsequently declared on that date, the payment shall be released on the first working day falling next to the due date.

TECHNICAL SPECIFICATION FOR 4 IN 1 METER COVER BOX (MCB) POLYCARBONATE FOR HOUSING 4 NOS. SINGLE PHASE ENERGY METER DULY FITTED IN POLYCARBONATE METER BOX.

1.0 SCOPE:

This specification covers design, manufacture, assembly testing at manufacturer's works, packing and delivery at sites(s) / store (s) of Nigam with accessories of 4 in 1 Meter Cover Box (MCB) Polycarbonate for housing 4 Nos. single phase energy meter duly fitted in polycarbonate meter box for trouble free and efficient operation.

2.0 STANDARDS

Unless otherwise specified elsewhere in this specification, the rating as well as performance and testing of 4 in 1 Meter Cover Box (MCB) Polycarbonate for housing 4 Nos. single phase energy meter duly fitted in polycarbonate meter box shall conform to the latest revisions and amendments of the following standards and shall conform to the regulation of local statutory authority:

Sr. No.	Standard No.	Title
1.	IS:14772	Enclosures for Electrical Installations
2.	IS:4249	Tests for Non Ignitable and Self Extinguishing Material Fire.
3.	IS:11731	Methods of test for determination of flammability of solid electrical insulating materials when exposed to an igniting source
4.	IS:11000	Fire Hazard Testing
5.	UL 746C	Polymeric Materials in Electrical equipment.
6.	IS: 14443.	Polycarbonate sheets specification
7.	ASTM G154	Standard practice for operating fluorescent light apparatus for UV exposure of nonmetallic materials
8.	IS 5133(Part II)-1969	Specification for boxes for the enclosure of electrical accessories.
9.	IS 2500(Part 1)-2000	Sampling procedure for inspection by attributes part-1 sampling schemes indexed by acceptance quality limit (AQL) for lot by lot inspection.

3.0 CLIMATIC CONDITIONS

Equipment to be supplied against this specification shall be suitable for satisfactory continuous operation under the following tropical conditions:

1.	Max. ambient air temperature	60°C
2.	Min. ambient air temperature	(-)5°C
3.	Average Daily Max. ambient temperature	40°C
4.	Max. yearly weighted average ambient temperature	32°C
5.	Max. altitude above mean sea level	1000 m
6.	Minimum Relative Humidity (%age)	26
7.	Max. Relative Humidity (%age)	95
8.	Avg. No. of Rainy days/year	120
9.	Avg. annual rainfall	900 mm
10.	Maximum wind pressure	195 kg/m ²

Note: The atmosphere is generally laden with mild acid and dust particles suspended during dry months and remain subjected to fog in cold months. The design of the equipment and accessories shall be suitable to withstand seismic forces corresponding to an acceleration of 0.1g.

4.0 TECHNICAL PARTICULARS, MATERIAL & CONSTRUCTIONAL DETAIL:

The 4 in 1 Meter Cover Box (MCB) Polycarbonate shall be made from Fire Retardant UV Resistant Polycarbonate material conforming to IS: 14443.

4.0.1 MATERIAL OF ENCLOSURE

a) The 4 in 1 Meter Cover Box (MCB) Polycarbonate shall be made from Fire Retardant UV Resistant Polycarbonate material by **injection moulding method**.

The base and cover of the 4 in 1 Meter Cover Box (MCB) Polycarbonate shall be made through injection moulded engineering plastic. The collar of the body shall be provided with good quality rubber gasket. The design of lining shall be such that it provides proper sealing between the cover and base of 4 in 1 Meter Cover Box (MCB) Polycarbonate to avoid penetration of dust and ingress of water. This may be achieved by providing a 'U' shaped groove in the outer flange of the base & an all around projection provided on the cover periphery which keeps the 'O' ring pressed and also to provide an outside collar to cover the groove. This will avoid ingress of water, dust etc.

b) The 4 in 1 Meter Cover Box (MCB) Polycarbonate shall be made of FV₀ Fire Retardant, self-extinguishing, UV Resistant Polycarbonate material with recyclable and anti oxidation properties having good dielectric and mechanical strength and shall be made in two pieces (Base & Top cover). Base shall be in Dark Grey color. The top cover of the 4 in 1 Meter Cover Box (MCB) Polycarbonate must be made from totally transparent polycarbonate material, as to provide clear visibility to itself and the entire meter installation to facilitate meter reading and evidencing any tampering or pilferage thereof. The material must be 'UV' stabilized to ensure that the moulded meter 4 in 1 Meter Cover Box (MCB) Polycarbonate should not change in color, shape, size and dimension. The material for base and cover shall be Lexan 943A or equivalent with minimum 3 mm thickness.

In addition to the other provisions of clause no. 4.0.1 (a & b), provision of 2 no. vertical ribs & 3 no. horizontal ribs having 3 mm thickness should be there in the base portion of the meter box such that it passes through the holes provided for fixing the meter box on the pole with the help of pole clamps (along complete breadth of meter box) subject to final approval of sample.

The 4 in 1 Meter Cover Box (MCB) Polycarbonate should have suitable surface /corners to prevent stay of rain water at the top of the 4 in 1 Meter Cover Box (MCB) Polycarbonate. The thickness of the box should be capable of withstanding boiling water for 10 minutes without deformation of box material. The heat deflection temperature of the box material should be 125 deg. C +/-2 deg. @ 0.45mpa. The flammability rating of the material as per UL 94 should be V0.

4.0.2 DIMENSION OF THE BOX:

The minimum internal dimensions of the box should be as described below (**Drawing attached as Annexure-1**) for accommodating Meters

a) In case of 4 in 1 Meter Cover Box (MCB) Polycarbonate (4 Meters) 700x475x150mm and the same shall be approved by the Purchaser.

The other Dimensions and General details shall be as mentioned in the Specification/ GTP/Drawing.

5.1. METER ENCLOSURE:

- a. Provision should be made in the box such that meter from different manufacturers, having different mounting dimensions can be installed using adjustable meter mounting brackets. The meter base support inside the box shall be raised by about 35mm for ease of wiring.
- b. The arrangement for mounting the meters should be made in such a way that there is a clearance of 20 mm between the meter box and top of the meters. A minimum clearance of 20 mm shall also be maintained on both sides between meters and the box.
- c. The box cover shall be fixed to the base through four number hinges (approx length 30 mm). Hinges & its pins should be made of non magnetic stainless steel material with minimum thickness of hinges as 1.2 mm. The arrangement for hinges shall be provided on the side of the base and shall be such that it may avoid unauthorized access to inside of the box. Hinges should be outside and enclosed by polycarbonate material and once the box is closed and sealed, hinges should not be approachable. Box cover shall be openable by minimum 90 degrees.
- d. For holding and sealing the box, three U-shaped latches (of approx. length 25 mm) shall be provided on right hand side. The latches shall be GS with minimum thickness 1.2 mm. The latches shall be provided along with suitable clamp assembly in base as well as cover, such that these are fully covered by the latch after closing. The clamp along with the latch shall have a sealing hole such as to provide a through sealing arrangement in the assembly.
- e. Six Nos. fixing holes of 6.5 mm diameter at the back surface of MCB shall be provided to fix the MCB at flat wall or surface. For fixing of MCB on poles, suitable 6 nos. zinc plated clamps shall be provided with each box. Clamps shall have adjustable slotted arrangement for adjustment of variation in pole sizes. Clamps shall be provided with 6 Nos. M6 bolts and nuts for fixing of MCB with clamps. Suitable nuts, bolts and washers shall also be provided for fixing of clamps on the poles, Clamps, nuts & bolts shall be properly zinc plated.
- f. After closing and sealing the meter box, it should not be possible to allow entry of any sharp object even forcefully inside the box without breaking base/cover. Suitable overlapping (approx 20 mm) shall be provided between base and cover to avoid access to the meter or its accessories inside the meter box by any means after sealing the box. Overlapping (approx 20 mm) should be depthwise of the MCB (150 mm side) on the drawing on front view & side view.
- g. Eight no. holes for incoming & outgoing cable and two no. holes for ventilation purpose shall be provided with superior quality plastic / neoprene rubber grommet/ gland at the bottom of base shall be made.
- h. All holes shall be as per respective drawing with superior quality plastic / neoprene rubber cable grommet of internal diameter of minimum 20mm each provided at the bottom of the 4 in 1 Meter Cover Box (MCB) Polycarbonate.
- i. 4 in 1 Meter Cover Box (MCB) Polycarbonate shall be adequately protected against rust, dust, water and corrosion both from inside and outside.
- j. Earthing bolt M6 x 25mm one no. with nut and washer shall be provided on Left side of the body of 4 in 1 Meter Cover Box (MCB) Polycarbonate. The earth terminal shall be identified by means of the **sign** \perp , marked in a legible and indelible manner.
- k. All the screws and washers shall be properly zinc passivated.

- l. Pole channels will be provided as per respective drawings.
- m. The tolerance permissible in overall dimension of 4 in 1 Meter Cover Box (MCB) Polycarbonate & clamps shall be +/- 2% except thickness.

5.3 I.P. Level:

For protection against ingress of moisture, water particles and dust etc., the box should meet with I.P. Level - I.P-55.

Soft rubber gasket should be provided all around the Base.

5.4 EARTHING ARRANGEMENT:

M6 Hex Bolt 25 mm long with Nuts and Washer will be provided for earthing, total quantity of earth bolt will be 1 no. on left side of the box.

6.0 Arrangement for mounting of Box on Pole:

The box shall be provided with 6 Nos. of M.S. Pre-galvanized or Zinc Plated Mounting clamps of size 2mm x 28mm x 525mm. Length of pole clamps should be 525mm to make proper grip of the MCB on pole.
